

REMARKS

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe the subject matter which applicant regards as the invention.

Claims 1-8 and 10-22 remain in the application and have been indicated as being allowable. Claims 9 and 23 have been cancelled, herein.

Claims 9 and 23 stood rejected under 35 U.S.C. §112, second paragraph, as being indefinite. The cancellation of claims 9 and 23 now renders the rejection under §112 moot.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. WLL-12659.

Respectfully submitted,

RANKIN, HILL, PORTER & CLARK LLP
